Dear PMC members

The 9th International workshop commenced yesterday with a wonderful team building event. The real competitiveness was most evident in many of the members! A lot of fun and new friendships have begun to be made within the group.

So immersed were the participants using our new PMC tools, that we missed the afternoon tea.

The welcome group dinner that went well into the night, was held in a fabulous fishing village theme, set up by the Shangri-La event crew in a function room.

Cheers,
Wendy

Dear PMC members

Yesterday we had reflection day. The group boarded a private coach and travelled to many sights in Penang and had a fabulous time seeing new sights and furthering their property knowledge.

During the day, members were able to discuss the subjects covered over the past two days of the PMC International Conference. They included the new version of Snapshot, Financial Strategies (with Rael Bricker), FIDO and members working with the own portfolio. We also participated in two, live webinars. The first of which was with Jill Orr on "Property Portfolio and Super" and then ending the day with Michael O'Reilly, discussing the "Economy and Your Property".

Cheers,
Wendy

Hello PMC Members;

"What an amazing wealth of knowledge I have learnt" ...

"The topics are great and easy to follow" ...

"The whole group is so easy going and fun to be involved with!"

Day four of the workshop has left extremely positive comments from the members as we conclude today. This year through the wonderful assistance of Kai Kapusta, acting as our "IT" expert here in Penang, we have been able to have live webinar's with speakers back in Australia. Allan Buckle spoke on Strata Property and Allan Morgan on Property Maintenance. The presentations have been able to expand on Strata Accounts and Property Improvements. There has been much discussion with the group throughout the day.

Cheers,
Wendy

Final Day in Penang;

Today the International Conference concludes. A wonderful day of information on the Club's "Property Management Program" and then the draft release of the brand new "Property Performance **Tracker** Program", developed by PM Paul Hulford. The members were delighted with the results in these programs, after they included their property data.

Wendy Priestly gave a fabulous presentation on Estate Preparation for Your Property Portfolio which highlighted many hidden aspects around estate planning.

The Conference concluded with a gold and black forest theme Gala Dinner in a marquee on the shores of the beach. A few drinks, great food and music enabled the group to dance well into the night.

Make sure to join us next year, at the 10th PMC International Conference.

Cheers,
Wendy

Last call in Borneo!!!

Shangri-La Kota Kinabalu

Oct. 19th, 2013

What better way, than for a group of like-minded friends to travel across to Borneo for a few days following the PMC International Conference.

Our group of 18, with tour director Sharyn Bojczenko, spent time at the lovely Shangri-La property in Kota Kinabalu. This proved to be a wonderful relaxing haven for the group to then travel to Sepilok for a day trip to see the Orangutans, city of Sandakan and visit the amazing Australian Memorial Museum to learn about the history of the POW's.

The group then moved to Singapore for three nights and stayed at the beautiful Intercontinental Hotel, a great location in revamped Burgis Junction. There was direct access from the hotel to the shopping mall!!! Sights included the Singapore Flyer and a visit to Changi Prison and a Singapore Sling at Raffles Hotel. Carol Worboys also arranged to meet up with one of her members living in Singapore and we all had a lovely evening with them.

Unfortunately, like all PMC tours, reality set in when we farewelled each other to head home with absolutely terrific memories of fun times with fellow PMC friends.

Bye until 2014 when the PMC retreat will again see PMC members enjoying the Whitsundays after the 20th PC Conference.
